

DEDICATION

The Gospel of Neo-Vedanta is dedeicated to the sacred Lotus Feet of the revered Baba Thakur; Shri Shri Balak Brahmachari Maharaj (original name: Shri Shri Birendra Chanda Chakraborty, son of Shri Surendra Chandra Chakraborty and Smt. Charushila Devi) and our most cherished and Beloved Thakur, Shri Shri Shunyojyoti (original name: Dr. Shib Shankar Datta) , Who appeared as the holy son of Prof. Gaur Gopal Datta and Smt. Swapna Datta and brought up by Thakur Himself. He was bestowed the name “Shunyojyoti” by Thakur Himself and adored and worshipped as Beloved Abolokiteshwar in the Buddhist Tradition. Beloved Thakur received initiation from Baba Thakur, Shri Shri Balak Brahmachari Maharaj, and was honored by the Buddhist community as ‘Beloved Abolokiteshwar’. On 27th September 1969 at the age of 49 Shri Shri Thakur Balakbrahmachari gifted us the Mahanaam in its present form i.e, “Ram Narayan Ram” where the words Ram and Narayan do not represent God Rama or God Krishna, instead, these are the Primordial Vedic words having special spiritual significance, they carry the essence of the whole creation, they describe the characteristics of the Eternal Void and the Infinite Tune.
